

DEAR U.N.I.S.

Blue Dragon wants to say THANK YOU!

TYPHOON Ketsana hit hard!

Homes in Hue (top) and Hoi An (bottom) were demolished by the high winds.

Rebuilding has already started for some families in Hue.

(Left) Staff & a volunteer take supplies to the kids in the Blue Dragon Home. (Right) Boat was the best form of transport through the streets of Hoi An. In Hoi An, a dam wall burst, causing a flash flood to sweep Hoi An Town. These photos were taken days after the water had receded a bit.

...but the RELIEF hit HARDER!

Thank you UNIS for your effort in donating rice, noodles and other food to the families affected by the storm in Central Vietnam.

There were many hungry families who were yet to receive any outside help. Families in Hue rely on fishing as their livelihood. Since the storm, they have been unable to work or bring home food. The rice and noodles you sent put a smile on their faces!

In Hoi An, (above) supplies were re-packed and distributed to the families of the children in our Home, as well as to families supported by two other local charities.
